Dear California Thoroughbred Reader:

With the resounding success of the inaugural California Gold Rush Day and the dramatic subsequent impact of California-bred Tiznow on the racing world, Hollywood Park is eagerly anticipating the event's 10-race renewal that will offer \$1.26-million in purses on Saturday, April 28.

In order to help celebrate the California breeding industry's special day at Hollywood Park, the track will offer fans the 2001 edition of the California Gold Rush Day polo shirt plus a guaranteed \$1-million Pick Six on the racing program. We have been most excited by the public's spirited reaction to the growing exploits of 2000 Breeders' Cup Classic champion Tiznow as he continues to increase the positive recognition of Cal-breds spurred by the likes of General Challenge, Budroyale and Free House.

Please plan to join us at Hollywood Park on Saturday, April 28, to take part in what has quickly become a major fixture on the racing calendar as well as a festive occasion for the racing public.

The second annual California Gold Rush Day, scheduled at Hollywood Park for Saturday April 28, will mark the renewal of an outstanding "Spring Celebration" of the California-bred Thoroughbred.

Once again, the event will feature 10 races and \$1.26 million in gross purses strictly for Cal-breds. The inaugural 2000 Gold Rush proved very popular, as over \$16 million dollars was handled nationwide.

As with last year, the day should feature large competitive fields offering racing fans numerous opportunities to root for, and wager on, the local horses that they follow throughout the year.

The Gold Rush party will once again be held in Hollywood Park's elegant Turf Club, and will offer fine cuisine, refreshing beverage, and exciting promotional giveaways throughout the day.

The CTBA is proud to sponsor Gold Rush Day and is looking forward to working with Hollywood Park to make the event a highlight of the year for all attendees. Come join us on April 28, and participate in this Spring Celebration.
